INT. ROOM - DAY/NIGHT

The stock in which Krishna and Sriya invested in has plummeted. They've lost everything they've invested.

Krishna and Sriya look at the laptop screen. Sriya starts breaking down in fear.

SRIYA

No no no what the fuck is happening?

Krishna loses his mind and starts laughing out of hysteria. He walks around the room stumbling.

SRIYA

Krishna neeku ardham avthundha asal em jaruguthundhi?

KRISHNA

Naaku ardham avthundha?

(Krishna's vocal tone transforms into to a stern tone with the sentence)

KRISHNA

Neeku aina aa FD undhi. This was my everything. Naa jeevitham sankha nakapoyindhi. And its on you Sriya.

Krishna slips back into laughing while holding his forehead with visible fear in his eyes.

Sriya falls to the ground and starts having a seizure, violently shaking.

Krishna goes to her in concern.

KRISHNA

What the fuck Sriya are you alright?

He gently tries waking her up but its futile.
